

State and Local Ballot Measures – Q&A

2006 Elections

Q: Must a ballot measure committee file on the June 2006 pre-election schedule if the measure will be on the November 2006 ballot?:

A: No. A ballot measure committee must file a quarterly statement by April 30, 2006 (because April 30 is a Sunday, this deadline will be extended to Monday, May 1, 2006), and a semi-annual statement by July 31, 2006. The committee will file on the pre-election reporting schedule during the second six months of 2006.

Q: What are the filing obligations of a ballot measure committee after the election?

A: Provided the committee does not make a contribution to another ballot measure, or change its character to support/oppose other measures or candidates, it would file semi-annual statements until the committee is terminated.
